DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see Remarks, filed 11/10/04, with respect to claims 1-10 have been fully considered and are persuasive. The rejection of claims 1-10 has been withdrawn.

Allowable Subject Matter

2. Claims 1-10 are allowed.

3. The following is an examiner's statement of reasons for allowance: Lu et al. U.S. Patent 6,684,121 does not disclose whether or not a work in process is moved from a current production line to different production lines. The allowability, at least in part, resides in this fact.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
